**Getting a student permit in Canada can be a great opportunity for students from Africa. However, there are some service costs that need to be taken into account.**

# WHERE YOUR MONEY IS GOING?

---

**The \$350** fee is used to directly pay the service costs incurred by Iconic Ltd immigration. This is a clerical fee and not part of our profit margin. This fee must be paid upfront, to start the process.

**The \$1500** service fee is where our added value comes into play. In order to ultimately place you in Canada, a minefield of immigration red tape needs to be navigated through.

Everything from admission, sponsorship and proof to the letter of purpose needs to be guaranteed before a student permit can be approved.
