Immigration laws favor higher-income countries, but while it can feel like an uphill battle to navigate the various immigration hurdles to get a student permit in Poland, we want you to know that at Iconic Ltd Immigration, we take care of everything.

Getting a student permit in Poland can be a great opportunity for students from Africa. However, there are some service costs that need to be taken into account.

WHERE YOUR MONEY IS GOING?

The \$300 fee is used to directly pay the service costs incurred by Iconic Ltd immigration. This is a clerical fee and not part of our profit margin. This fee must be paid upfront to start the process.

The \$300 service fee is where our added value comes into play. In order to ultimately place you in Poland, a minefield of immigration red tape needs to be navigated through. Everything from admission, sponsorship, and proof of accommodation to visa appointments needs to be guaranteed before a student visa can be approved.

While there are plenty of universities willing to take you onboard, they are not willing to deal with the hassles of immigration. This fee must be paid after the student got the admission letter
